

KURT IVESON

Associate Professor, Urban Geography, University of Sydney

Kurt Iveson is Associate Professor of Urban Geography at the University of Sydney. He teaches and researches about sustainability, citizenship and social justice in cities. He is a Co-Chair of the Cities Network at the University of Sydney, has been Co-Chair of the Transport Research Action Team for the Sydney Alliance, and is currently President of the University of Sydney branch of the National Tertiary Education Union. He has a blog called *Cities and Citizenship*, and presents a fortnightly radio segment on Radio FBi about urban environmental politics called *Down to Earth* (now podcasted!).
