

ADAM BECK

Executive Director, Smart Cities Council Australia New Zealand

Adam is Founding Executive Director of Smart Cities Council Australia New Zealand, Cities Advisor to the Green Building Council of Australia, and Director of Centre for Urban Innovation. Adam is also an Ambassador with Portland-based think tank EcoDistricts, where he was previously Director of Innovation.

Before entering the non-profit sector, Adam spent 15 years with global consulting firms, including Arup. He was also lecturer and studio lead in social impact assessment and community engagement at the University of Queensland.

Adam has dedicated his career of more than 20 years to advance city-building practices around the world, through the creation and deployment of frameworks, tools, and protocols that accelerate sustainability.
